

Open House Tenant Questionnaire

Generally speaking Real Estate Depot considers applicants on a first come first to be considered basis. We also have a policy that also requires that an prospective tenant view our property before we will accept or process an application. We start advertising a property as soon as notice is given by the prior tenant, but generally do not allow it to be shown until it's been vacated. As a result, we end up with an extensive list of interested prospective tenants.

This open house is an opportunity for all the tenants who have shown interest to view the property at one time. Those tenants who have registered their names and filled out this questionnaire will be the first to be considered.

We will collect completed applications and questionnaires at the open house. Additionally, we will accept completed applications up until 4pm the day of the open house from those people who have submitted and signed the questionnaire and viewed the rental.

Real Estate Depot is seeking some additional information that may give your application additional consideration:

Please list the names of all the people, including minors, who would be living in the unit (anyone staying more than 2 weeks in one calendar year):

How many of those occupants over the age of 18yr (signatures on lease)? _____
